

Sucheta Mukherjee – Front-end Web Developer

Glen Allen, VA. (831) 224 7090. mukherjee.sucheta90@gmail.com . [LinkedIn](#) . [Github](#)

Summary

The training I have been receiving has been geared towards becoming a self-taught Web developer. My coursework has been strategically focused on the following areas of HTML, CSS, JavaScript. At present I am committed to full-time study to expand my knowledge on web-based technologies, frameworks, and design principles to build and optimize fully functional and scalable websites and web applications.

I am looking for an opportunity to join a supportive, collaborative, and communicative team to learn and gain experience.

Web Development Skills

Proficient: HTML, CSS, JavaScript, Git, Bootstrap.

Familiar: SCSS, NPM, REACT.

Recent Web Projects

Basic HTML From - <https://jolly-klepon-0395fa.netlify.app>
